Effective April 1, 2000, NYS Executive Law §837-0 requires applicants for membership into Volunteer Fire Departments in New York State to undergo a criminal history background check through the Division of Criminal Justice Services and a check for an arson conviction in New York State.

I, _____, having been born on ____/____/____ do hereby
(Please **PRINT** name in full, **DO NOT SIGN**)

grant the Marion Fire Department, Inc., permission to inquire into my driving and/or personal background to determine if I have a criminal background in which I have ever been arrested for and/or convicted of any crime. This will also include a record check for an arson conviction. An arson conviction will automatically prevent you from becoming a member of the Marion Fire Department, Inc. If you are granted membership, a record check of your driver's license will be done at a later date through the New York State Department of Motor Vehicles.
